JUNE 2023 PRESIDENT'S LETTER

As I reflect on the last year of my Presidency, I recognize the likeness to starting a project. It is always the hardest in the beginning but as you get used to the rhythm it gets easier. But what I learned is that an organization or project is only as strong as each person or stitch that supports it.

I have a greater appreciation for the efforts others put into making us successful. We are what we work towards as a group. This is the beginning of our busy season and I look forward to working with you.

JUNE 2023 PROGRAM ACTIVITIES

Welcome Summer!!

Attention All Members: Please share your ideas and thoughts for new and interesting Program Activities. If there is something new you have learned and would like to share with our members, or interesting ideas of an activity we could do as a group, let us know and we will add it to our calendar.

Many charities continue to need our donations of hats, blankets, scarves etc. Anita Brady has begun collecting hats for "The 6th Annual Brady Beanie Kickoff", The Linus Project continues to need blankets, our local Flemington Food Pantry needs hats, scarves, etc. Below is a list of Charity Knitting Suggestions. Please make time to support a charity of your choosing.

We will be meeting downstairs at the Hunterdon County Library on Route 12 between 10 AM and 12 PM on Friday, June 23, 2023. Our Annual Buffet Lunch will be held following our meeting upstairs at the library beginning at Noon. Please RSVP to let us know whether you will be joining us at your earliest convenience.

CHARITY KNITTING SUGGESTIONS

The Guild supports these charities and suggested yarn, needles or hooks are provided at these sites along with patterns.

Brady Beanies: <https://bradybeanie.org/> Our mission is "to keep heads warm and share the warmth with those in need". Anita Brady, a Guild member, has established this charity in memory of her husband Mike. She is collecting and distributing knitted and crocheted adult hats. You pick the pattern, the yarn, and the needles. All adult hats are welcome.

Knitted Knockers: <https://www.knittedknockers.org/> Knitted Knockers are soft, comfortable knitted (crocheted) prosthetics for breast cancer survivors. This organization connects volunteer knitters and crocheters with breast cancer survivors to offer free “Knitted Knockers” to any woman who wants them. These knockers can only be distributed if made from approved yarns and approved patterns. Be sure to check their website.

Update: For the time being we are encouraging people to make up what they have and provide them locally rather than sending them to us or consider adopting a clinic near you. We have over 700 clinics still wishing to be adopted. You can check for clinics near you at: <https://www.knittedknockers.org/adopt-a-medical-clinic/> We can always send you unstuffed knockers to supplement your supply. Just request the “Supplemental Knockers” under the ‘Contact Us’ link at the top right-hand corner of our website.

If you still want to send to us, please knit or crochet up what you have making pairs of neutral and dark colored D and DDs as we have an abundance of all other sizes. Before purchasing more yarn check back periodically to see when we can use more. Please know we really appreciate you and are not saying don't make more knockers! Due to covid and the challenges of distributing them we just find that we have more than enough for now. We appreciate all of you and the difference you are making in so many lives! It is truly stunning what together we are accomplishing!

Peyton Heart Project: <http://www.thepeytonheartproject.org> The Mission of The Peyton Heart Project is to help raise global awareness about suicide, bullying, and to help end the stigma surrounding mental health issues. The Peyton Heart Project was inspired by a 13-year-old boy named Peyton James who died by suicide in 2014. Hearts can be knitted, crocheted, made by simply wrapping yarn around cardboard hearts, or made with fabric. Each heart has a special tag attached with an inspirational saying. There are patterns to make the hearts, tags etc. within the Peyton Heart Project link noted above. Ginny Wodock will be collecting hearts for distribution and can be contacted at piecedtogether4u@gmail.com for more information.

Project Linus: <https://www.projectlinus.org> Project Linus is a non-profit organization providing new handmade blankets to children in need. Become a volunteer “blanketeer” and donate a handmade blanket or Afghan to benefit children who are seriously ill, traumatized, or otherwise in need. Handmade blankets provide a sense of security, warmth, and comfort to the children. These gifts of new handmade blankets and Afghans, lovingly created by volunteers like you are greatly needed and appreciated. Doris Gullion will collect and deliver your donations for Project Linus at our monthly meetings. You are welcome to contact Hunterdon & Warren Counties Chapter Project Linus Coordinator: Diane P. at (908) 391-0578 for more information.

Seamen’s Church Institute: <https://seamenschurch.org/christmas-at-sea> The historic name of this volunteer program, *Christmas at Sea*, only partially describes the work of the people who make holidays a little warmer for mariners. While gift distribution happens during winter months, collection and creation of items happens year-round. While many gifts go to international mariners working "at sea," thousands of gifts also go to mariners working on inland waterways here in the United States. Knit and crochet patterns are available for hats, scarves, socks, slippers, a vest, and a ditty bag.

Warm Up America: The following link will connect with a brochure describing the Warm Up America organization mission and project specifications for baby blankets, lap blankets and friendship shawls. https://www.craftyarnCouncil.com/files/WUA_brochure.pdf

Knitters Unite (on behalf of the Flemington Food Pantry): Knitter's Unite is looking for donations of hats, scarves, socks, and mittens in support of our local area food pantry.

There are numerous other charities looking for knitters and crocheters to help them meet their mission statement goals. If you have a favorite not mentioned here, please email Doris at dgullion48@gmail.com She will gladly include them in our next Guild newsletter.
